Case No. 06-CV-1846

Dear Judge Dillon:

Our office represents Rock River- Koshkonong Association, Inc. ("RRKA") and Lake Koshkonong Recreational Association, Inc. ("LKRA").

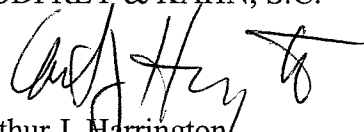

As you know, during our scheduling conference conducted via telephone on June 27, 2007, you disclosed that one of your sons is employed with the Brennan Steil & Bastings Law firm in Janesville, WI. The Brennan Steil & Bastings Law firm represented certain individuals who were provided party status during the contested case hearings. However, these individuals have not sought party status on this appeal. In addition, during the scheduling conference you disclosed that another one of your sons had previously been employed with Godfrey & Kahn, S.C. in our Madison office.

Very truly yours,
