LAKE DISTRICT AWARDS WETLAND GRANT

EDGERTON—The Rock Koshkonong Lake District’s Board of Commissioners met Tuesday and awarded a Shoreline Protection Grant to wetland property owners Gary and Penny Shackelford of Milton.

Applicants for the grants must meet DNR guidelines and are eligible up to \$10,000 reimbursement for protecting their shorelines. Residential homeowners are not eligible under DNR rules.

“The Lake District has awarded 9 grants to date, and we will continue to work with wetland property owners and the DNR to protect the special qualities of Lake Koshkonong and the Rock River,” said Christianson.

The Rock Koshkonong Lake District is a local unit of government established in 1999 under Wisconsin State Statute Chapter 30. Five of the seven-member board of commissioners are elected to three-year terms. Two members are appointed, one by the Town of Fulton and the other by Rock County.

The Rock-Koshkonong Lake District (RKLD) has scheduled their next meeting for Tuesday, April 12th at 6:30pm at the former Kidder Farm on STH 59 & CTH N.
